

## **North West Rio Grande Soccer League Dealing with Transfers**

Please note: This policy pertains to players wishing to transfer from a team registered or playing in the NWRSGSL and/or NWRGSL Schedule to another club or to another league. For any players registered or playing in the DCSL or DCSL schedule please review their policy at [www.dukecity.org](http://www.dukecity.org)

A player wishing to transfer between different clubs playing or registered in the NWRGSL /NWRGSL schedule needs to first pay all remaining league, club, and team related dues or fees (as stated on the releasing clubs web site and/or team handouts). The NMYSA player release and transfer form must then be signed by the parent, the coach (or DoC), and the club register (or DoC) showing that the player has successfully paid all required club and league fees and/or dues. The transfer form will then be returned to the player's family, from the releasing club or league, to obtain the receiving teams signatures. When the transfer is sent to NWRGSL for processing (i.e. League President and Registrar signatures) the transferring player must also pay a required \$500.00 Transfer fee to NWRSGSL. Once the transfer is completed, the transfer fee will then be sent to the releasing club.

### **No fee is required for the following transfers:**

1. Player transfers to another team within their own club.
2. If a team does not register or disbands all players will become free agents and this transfer fee will not be required.
